MOTION: Commissioner Mendenhall made a motion to ratify the appointment of Commissioner Young.

SECOND: Barbara Nelson, M.D.

ACTION: MOTION PASSED

4. Report from Idaho Association of District Boards of Health Business Meeting

Those who attended the Idaho Association of District Boards of Health business meeting provided a brief update of the meeting. South Central Public Health District is slated to host the 2021 annual meeting.

5. COVID-19 Update & Response

Ms. Rackow provided an update to the Board.

- **Case Counts:** The group review state (coronavirus.idaho.gov) and local activity (www.EIPH.Idaho.gov) related to COVID-19. EIPH recently made a public announcement about a positive case that created possible public exposures at a food establishment/bar in Victor, Idaho. EIPH staff worked closely with the Victor Mayor and Teton Valley Health on the situation. Teton Valley Health does have the ability to conduct rapid COVID-19 testing.
- **Testing Resources:** As reported previously, Idaho received 15 Abbott ID Now rapid testing machines and each health district was allocated two for use within their region. In EIPH's region, one machine went to Grand Peaks in St. Anthony and the second one to Salmon River Clinic in Stanley.
