**Eastern Idaho Public Health District to Hold Special Immunization Clinics
in Challis and Salmon for Soon-to-Be Kindergartners**

CUSTER AND LEMHI COUNTIES – Eastern Idaho Public Health District’s offices in Challis and Salmon will be holding special immunization clinics for soon-to-be kindergartners. These clinics are especially designed for four- and five-year old children who will be entering kindergarten this fall. Appointments are required to attend the clinics. Also, parents should bring their children’s immunizations records with them to their appointment, as well as your child’s Medicaid or insurance card if they have one.

Custer County Kindergarten Immunization Clinic

Where: Eastern Idaho Public Health District; 1050 N. Clinic Road, Suite A, Challis
When: Tuesday, May 18, 2010
Appointments are required and available from 9:00–11:30 a.m. and 1:00–4:30 p.m.
Call: Call 879-2504 to schedule your appointment today

Lemhi County Kindergarten Immunization Clinic

Where: Eastern Idaho Public Health District, 801 Monroe, Salmon
When: Thursday, May 20, 2010
Appointments are required and available from 9:00 a.m. to 6:00 p.m.
Call: Call 756-2123 to schedule your appointment today

At Eastern Idaho Public Health District, the only cost for immunizations for children through 18 years of age is a nominal vaccine administration fee. However, no child will be denied immunization services based on inability to pay. If you have insurance, we will submit the administration fee charge to your insurance for you. Just bring your insurance card with you to the appointment. These early clinics are being offered to help parents avoid the rush that happens in the fall with parents trying to get their children immunized before heading back to school.
