

Thirteenth Annual “Picnic in the Park” to be held August 7th 2015

On Friday, August 7th, Eastern Idaho Public Health (EIPH) WIC Program and the BEST (Breastfeeding Education & Support Team) Council for Babies and Moms will be holding its annual “Picnic in the Park” event in Idaho Falls in recognition of World Breastfeeding Week. The purpose of this event is to disseminate information about breastfeeding as well as celebrate and support breastfeeding moms and babies.

The “Picnic in the Park” is a free community event open to anyone interested in learning more about breastfeeding or celebrating breastfeeding as the gold standard for infant feeding. There will be refreshments and a variety of educational booths, family-friendly vendors, door prizes, games, and other activities for children. Breastfeeding experts will be available to answer questions.
